Support

If you need help with problems or questions, and the help file does not provide an answer, please visit the support pages on our web site. From here, you have direct access to the customer support forum, very useful tutorial videos for all FabFilter plug-ins, online and PDF versions of all our help files,

Go to Audio Vitamins Support

For sales-related questions and any other technical support, you can also contact Audio Vitamins directly info@audiovitamins.com.

Reporting a bug
If you have encountered a bug in Structure, first of all make sure that you are using the latest version of the plug-in, which you can find by logging into your account at www.audiovitamins.com . You can easily check the version of Structure that you are using by clicking Help >

About in the plug-in interface. If the bug is still present in the latest version, please send us an e-mail at info@audiovitamins.com and include as much technical information as possible: operation system and version, host software and version, steps to reproduce the bug, etc.

Thanks in advance!
